

# PATEL YASH

## React Developer

yashkpatel3144@gmail.com • linkedin.com/in/yash • Gujrat, India

### Summary

I am a highly motivated and detail-oriented JavaScript Developer with a strong foundation in both front-end and back-end development. I have extensive experience in building dynamic and responsive web applications, proficient in modern JavaScript frameworks such as React.js and Node.js. I excel at writing clean, efficient, and maintainable code, and have a solid understanding of ES6+, DOM manipulation, RESTful APIs, and asynchronous programming.

### Key Achievements

#### Enhanced Web Performance

Increased web application efficiency by 25% through optimized JavaScript code.

#### Project Development Success

Developed 3 projects utilizing React, improving user engagement by 40%.

#### Streamlined Data Integration

Implemented GitHub Auth, enhancing data fetching speed by 50%.

#### Improved Development Efficiency

Automated manual workflows, saving 10 hours per week in development time.

#### Web Efficiency Boost

Increased web efficiency by 25% via optimized JavaScript code.

#### Data Integration Success

Enhanced data fetching speed by 50% through GitHub Auth integration.

### Experience

#### Infolabz

##### Intern

Gandhinager, Gujrat

01/2023 - 04/2023

Internship program to gain practical development experience

- Highlight your accomplishments, using numbers if possible.
- Highlight your accomplishments, using numbers if possible.
- Designed and implemented systems for improved efficiency and automation
- Led the development of a user-focused web application using React, enhancing interface usability and overall customer satisfaction.
- Designed and implemented interactive front-end components in React, resulting in a more engaging user experience and improved application responsiveness.

### Education

#### Gujrat Technology University

##### Bachelor of Computer Engineering

Gandhinager, Gujrat

08/2019 - 05/2022

#### Shree Swaminarayan Institute of Technology

##### Bachelor of Computer Engineering

Gandhinager, Gujrat

09/2023 - 06/2025

### Skills

CSS • JavaScript • Git • GitHub • HTML • JavaScript • React • Responsive Web

### Projects

#### Freelancing

01/2023 - 04/2023

A personal project showcasing skills in web development with GitHub integration

- Developed a web application using JavaScript as the frontend
- Implemented GitHub Auth to fetch data from user's repositories
- Visualized GitHub data to display collaboration insights

#### To-Do List

01/2023 - 01/2023

A task management application to help users keep track of their activities

- A simple app to add, delete, and mark tasks as completed
- Filtered completed and pending tasks
- Users can edit an existing task
